About Pulmonx Corporation

Pulmonx Corporation (NASDAQ: LUNG) is a commercial-stage medical technology company that provides minimally invasive treatment for patients with severe emphysema, a form of COPD. The Pulmonx solution, which is comprised of the Zephyr® Endobronchial Valve, the Chartis® Pulmonary Assessment System and the StratX® Lung Analysis Platform, is designed to treat severe emphysema/COPD patients who, despite medical management, are still profoundly symptomatic. Pulmonx received FDA pre-market approval to commercialize the Zephyr Valve following its designation as a "breakthrough device." The Zephyr Valve is commercially available in more than 25 countries, with over 80,000 valves used to treat more than 20,000 patients.
